

Expedite Your Pension Check Delivery

The U.S. Treasury and the Federal Reserve Bank recently announced the **Go Direct** (www.GoDirect.org) campaign to motivate individuals who receive Social Security or other federal benefit checks to use direct deposit. Direct deposit offers:

- **Reliability** - predictable and dependable receipt of your money
- **Safety** - safeguards against stolen checks and identity theft
- **Control** - more control over your money and your time

SunTrust and Cobb County Government would like you to receive these same benefits for your monthly retirement plan pension payment. Set up is quick, easy and is generally completed within 60 days. Just follow these 3 easy steps:

- 1) Complete and sign the attached Authorization Agreement
- 2) Attach a blank, voided check
- 3) Mail these documents to the address indicated

Once direct deposit is set up, your monthly pension payment will be deposited directly into your bank account on the **first business day of each month**.

Make this decision today it's your time and your money!
